Kelly:

We want you to know how blessed we feel for having had you as the realtor in our recent home purchase.

From the very beginning it was clear that you were capable and focused, paying attention to detail in every aspect and following up at all times.

You also advised us extremely well for a number of important needs, such as the home inspection and the needed upgrades in re-doing all 3 bathrooms.

You also stayed in constant contact with our lender, expediting that process too.

We've worked with many realtors over the years, having purchased a total of 7 homes in the last 35 years. None of them were as capable and dedicated as you.

Thank You!
